Our deepest fear is not that we are inadequate. Our deepest fear is that we are powerful beyond measure. Marianne Williamson

Dear Sir/Madame,

January 2015

We are writing to wish you a **WINNING YEAR** and also offer **YOU** the opportunity to work with us this year 2014 and beyond.

Reach to the sky® deliver tailored success management services and have tools to help manage, maintain and enhance success.

We equip and empower companies, organisations and individuals in a range of sectors especially of a high profile nature. We specifically provide bespoke success coaching, consultancy and success management services.

Our packages are specially designed for high profile, professional individuals and companies.

We pride ourselves on achieving results, confidentiality and excellence.

★ **WORK:** We work closely with clients' to put together a bespoke package that will suit individual needs. The clients' needs are **KEY** so working together enables us to set targets/goals to get results and find the best way to achieve excellence.

We can work with clients at their suitable meeting premises, our premises or discreet private locations at luxurious venues in the city of London or best suited to your needs.

We are professional and only associate with professional companies to deliver our work.

In the case of working with children, youth or vulnerable adults our consultants and coaches are DBS/CRB checked.

★ **SATISFACTION:** We have a high client satisfaction level; our clients have always achieved their intended results. Reach to the sky® has managed to deliver customer satisfaction every time.

★ **INSURANCE:** Reach to the sky® has full professional indemnity insurance to cover and protect the company and their clients.

★ **CONFIDENTIALITY:** We have a Non-Disclosure Agreement that we have put in place for our high profile, professional and every day clients. Our chauffeurs/drivers and certified body guards/security are also bound to non disclosure and confidentiality. This helps to prevent unwanted press or media attention. If you do not wish to use a Non-Disclosure Confidentiality Agreement or use our security, drivers, or maybe wish to use your own, this is not a problem. We can still guarantee you peace of mind, confidentiality, privacy and professionalism due to our reputation and track record. As we do not want to be associated or engaged in anything that could damage our credibility or the intellectual property of Reach to the sky®. Whether we work with you by car, boat, Helicopter or private jet, your security, safety and confidentiality is our number one priority.

We look forward to discuss which services would be best to support your continued success.

*Let us help **YOU** reach to the **SKY** in 2014 and beyond, your success starts here.*

Yours Sincerely

Reach to the Sky Team

IS THERE PROOF COACHING WORKS? YES

The ICF Global Coaching Client Study shows most clients reported improved work performance, better business management, more efficient time management, increased team effectiveness, and more growth and opportunities. The same study found that coaching clients noted greater self-confidence, enhanced relationships, more effective communications skills, better work-and-life balance and an improvement in wellness.
